What to Bring
Digital Photography

**Camera:** At least 10 megapixel digital camera with manual controls (preferably DSLR) and data transfer cable.

**Additional Materials:**
- 5–10 images on a flash drive to show on the first day of class
- Compact Flash/SD Card Reader (if you don’t have a USB cable)
- Minimum 8GB USB Flash Drive or USB external hard drive formatted for use with Mac OSX to be used as working space and image storage during class
- Battery Charger and extra battery if possible
- Tripod if you have one
- $50 for printing photos (check or cash only). Make checks payable to VCU.
- Shoes that are good for walking/hiking
- Sketch book
- 'PROPS' FOR PHOTO SHOOTS: costumes, objects, art supplies, etc. basically anything you have an interest in including in photos. Be creative!
