NAME: _____

VCUarts AFFILIATION: Student / Faculty / Staff

STUDENTS: Undergrad / Grad EXPECTED GRADUATION DATE _____

DEPARTMENT: _____

EMAIL: _____

PHONE: _____

GRANT DESCRIPTION

The Anderson's Space Grants are intended to offer VCUarts students, faculty, and staff an opportunity to utilize the gallery space for special projects, pop-up exhibitions, events, etc. The gallery's spaces are large and have great potential. We would like the community to make use of the space to advance their artistic practices, to draw attention to special issues, to reach out to the larger community, and, most significantly, to undertake interdisciplinary projects and investigations. Applicants may request any gallery (or galleries) on the first and second floors, for any length of time. Criteria for evaluating grant applications include: necessity of gallery spaces to proposed project, viability of project, demonstrated preparedness to undertake project, clarity of written proposal, appropriateness of requested space and time amounts. Space grants will be awarded between May 15 and July 23, 2017.

FACILITY DESCRIPTION

Gallery layouts are pictured on the last page of this application. Specify which space(s) you'd like to use and whether you need all or a portion of them. If you will require tables, chairs, or other equipment, please note this in your request.

GRANT REQUEST

Please describe your request in as much detail as possible. Address the following: How much space will you need? Would you prefer the white space or the raw space? How much time or how many days are you requesting? Do you need any special equipment or technology? Do you need assistance or will you be doing all the labor/work yourself? Feel free to attach images, links, or additional pages if necessary.

First Floor

Second Floor

Please use this diagram to sketch your layout ideas, if you feel it would help Anderson staff make a decision on your Space Grant proposal.

VCUarts Anderson Building
Approx. 5,596 sq. ft.
(some galleries not pictured)
