MAE + Licensure Program of Study
49-52 Credits

Name: ___________________  Adviser: ________________

1 All students must take and pass the VCLA during their first semester in the program. Register for the test online http://www.va.nesinc.com/

2 All students must take the math portion of PRAXIS I during their first semester in the program and must pass it before enrolling in ARTE 501. Check test dates online at www.ets.org/praxis. ARTE 501 is a pre-requisite for ARTE 502.

3 Classes that are accepted for comps are regular ARTE classes at or above the 600 level. Independent study or thesis courses do not count for this requirement. Any request for an exception must be submitted in writing to the head of the Graduate Programs Committee.

4 A thesis takes at LEAST 2 semesters to complete and faculty members are available for advising theses in the fall and spring semesters.

5 Students must pass PRAXIS II and pass their thesis or comps before enrolling in their student teaching semester.

6 Depending upon a student's financial aid status, s/he may choose to take either TEDU 485 (6 credits - undergraduate) and TEDU 486 (6 credits - undergraduate) OR TEDU 672 (graduate) as a full time student. If you are not a full time graduate student, it may make your undergraduate and graduate student loans come due. The Art Education faculty cannot give you financial advice on which option to select. This is something that you should discuss with the companies that administer your student loans or with Student Accounting to see which option best fits your needs.

7 Once admitted to candidacy, a student must be continuously enrolled for at least 1 credit per semester during the fall and spring. If a student does not enroll for 1 credit each semester, s/he will be in violation of the Graduate School's rule and may have to re-take credits toward the degree and may be removed from the program.

8 Students have 6 years from the first date of enrollment to complete the MAE degree. If a student does not complete the degree within 6 years, s/he will need to re-apply for admission into the program and re-take courses.

For more information, refer to the MAE section of the website: http://www.vcu.edu/arts/arteducation/dept/curriculum/graduate.shtml and the Graduate Bulletin: http://www.pubapps.vcu.edu/bulletins/graduate/
